"Although the networking opportunity is always helpful, I'm most impressed with the content within the sessions and how the organization uses thoughtful decision-making when planning.

For example, we've seen a rise in social-emotional needs (specifically those who have experienced trauma). Having a Conscious Discipline® track is thoughtful, smart and helps to support us in the work we do".

Director of Curriculum and Instruction
The Centers for Families and Children
The Ohio Early Childhood Conference supports intentional, innovative, creative learning that aligns with the Ohio Strategic Plan for Education: 2019-2024.

**Strategy #1:**
Increase the supply of highly effective teachers and leaders and provide support to ensure they are effective or highly effective.

**Strategy #2:**
Support every principal to be highly effective – especially those leading schools that serve the state’s neediest children.

**Strategy #3:**
Improve targeted supports and professional learning so teachers can deliver excellent instruction today, tomorrow and throughout their careers.

**Strategy #4:**
Identify clear learning standards and guidelines that reflect all four equal learning domains.

**Strategy #5:**
Move toward a varied system of assessments to appropriately gauge the four equal learning domains and allow students to demonstrate competency and mastery in ways beyond state standardized tests.

**Strategy #6:**
Refine the state’s accountability system to be a fairer, more meaningful process that reflects all four equal learning domains.

**Strategy #7:**
Work together with parents, caregivers and community partners to help schools meet the needs of the whole child.

**Strategy #8:**
Promote the importance of early learning and expand access to quality early learning experiences.

**Strategy #9:**
Develop literacy skills across all ages, grades and subjects.

**Strategy #10:**
Ensure high school inspires students to identify paths to future success, and give students multiple ways to demonstrate the knowledge, skills and dispositions necessary for high school graduation and beyond.

The State of Babies Yearbook: Where Do Babies Stand  
Session Code: T211

Where do babies across the nation and in Ohio stand? The new State of Babies Yearbook 2020, to be released in April by ZERO TO THREE, provides the answer. The state of America’s babies is critical – it’s when we lay the foundation for our future workforce. When babies and families have the supports they need, we create innovators, thinkers, and stronger communities. Our shared vision of a prosperous future will be realized only if there is a robust quality of life for babies today.
