Steve Gross
Saturday, April 25
We are excited to welcome the very best presenters in the country to the Ohio Early Childhood Conference!

**Featured Speakers:**

- Red Grammar
- Dan Hodgins
- Dr. Mike (Longoria)
- Kira Willey
- Richard Cohen
- Mimi Brodsky Chenfeld
- John Funk
- Valora Washington CDA
- Patricia Cole Zero to Three
- Ron Mohl
- Kristen Johnson NAEYC
- Lance Reed
- Elisa Huss-Hage
- Joe French
- Joanie Calem

+ **Wow!**

**Over 100 More Breakout Session Speakers!**
Wednesday
April 22

Registration
6:00pm-8:00pm

Breakout Session #1
8:30am-10:00am

Exhibit Hall
8:00am-5:00pm

Keynote:
10:45am-11:45am
Deshauna Barber

Lunch On Own/Exhibits
11:45am-1:00pm

Breakout Session #2
1:00pm-2:30pm

Breakout Session #3
3:00pm-4:30pm

Bonus Sessions
5:00pm-6:30pm

Wine & Canvas
7:30pm
$35

Murder Mystery
7:30pm
$10

Thursday
April 23

Registration
7:00am-5:00pm

Keynote
10:45am-11:45am
Steve Gross

Lunch On Own/Exhibits
11:45am-1:00pm

Breakout Session #1

FLIP IT! Overview and Four Steps Strategy (Full Day)
Session Code: T1FlipIT

FLIP IT is a four step behavior strategy rooted in developing emotional awareness in order to increase emotional control. This strategy works to reduce challenging behaviors in children ages 3-8. FLIP IT can be used with multiple children at the same time during minor challenges throughout a day or used as a targeted intervention that can support the emotional growth of a child displaying specific behavior concerns.

Presenter: Marci Masters
Age Focus: PRE, SA
Main Topic: Guidance/Challenging Behaviors

Building a Strong Foundation
Session Code: T13

The Director of Hamilton Local Preschool will outline how the school district established, implemented, and continues to support a strong academic preschool program. Our program infuses academic, social emotional, and literacy enrichments activities that earned a 5 Star rating from Ohio Department of Education and Ohio Department of Job and Family Services. Come and discover how you can enhance your current program or start a new one.

Presenter: Jan Strahm
Age Focus: PRE
Main Topic: Language and Literacy

Activating the Mathematical Mind
Session Code: T12

The mathematical mind is in every child. Offering children order, precision and exactness through the manipulation of materials allows them to better understand their environment which is built on a mathematical foundation. Encouraging a positive experience in mathematics lays a foundation to experience the satisfaction of learning through self-discovery. This session will provide a concrete way to teach math and walk away with ideas and resources to implement in your classroom.

Presenter: Kristi Lethenstrom
Age Focus: PRE, SA
Main Topic: Mathematics

Building Systems for Successful Programs
Session Code: T14

Participants in this session will be introduced to the P.L.A.N. framework for action planning. We will explore how to develop processes and then organize those processes in order to streamline the operations of your child care business. Discover how to build a systemization action plan to support successful program operations.

Presenter: Patrick Frueh
Age Focus: ALL
Main Topic: Program Administration/ Evaluation & Financial Management

CQ CommUNITY CQ=Cultural Intelligence An Ongoing Journey of Growth
Session Code: T15

This session looks at the journey of a district team as they commit to increasing the cultural intelligence (CQ) and equitable practices of the district staff, students and community. During this session attendees will have the opportunity to engage in activities to reflect on their own cultural intelligence to consider areas for further exploration to support the children and families they work with in the early childhood setting.

Presenter: Kristin VanCuren Koester
Age Focus: T, PRE, SA
Main Topic: Diversity & Equity

Early Childhood State and Federal Policy Update 2020
Session Code: T16

Explore resources to ensure you stay up-to-date on the latest early childhood policy news to best advocate for state and federal investments and policies that impact those working in Ohio’s child-serving systems and the families and children impacted by those systems.

Presenter: Julia Hohner
Age Focus: ALL
Main Topic: Public Policy/Advocacy
8:30am-10:00am con’t

**Five Habits of Highly Effective Early Childhood Leaders**

Session Code: T17

In this interactive session we will discuss the five habits that highly effective early childhood education leaders exhibit that can improve daily operations and practices in an early childhood education business. We will examine the need for a continuous quality improvement plan, constructive versus destructive feedback and completing staff evaluations as a prerequisite for leading high performing teams.

**Presenter: Robert Gundling**

Age Focus: ALL
Main Topic: Program Administration/ Evaluation & Financial Management

---

**Learn the Signs, Act Early: Supporting Children through Developmental Monitoring using Family Engagement**

Session Code: T19

Learn the Signs, Act Early is an initiative from the Center for Disease Prevention and Control. This program aims to improve early identification of children with autism and other developmental disabilities so children and families can get the services and support they need. Participants will learn to use these resources in combination with family engagement to utilize developmental monitoring to celebrate milestones and help link children to the support they need.

**Presenter: Deanna Kropf**

Age Focus: ALL
Main Topic: Assessment of Young Children

---

**Getting Started: Using Assessment to Raise Your Quality**

Session Code: T18

Are you new to GOLD® and interested in learning more? Get a guided tour of the new MyTeachingStrategies™ platform: its features, its functionality, and how to navigate within it. You will discover how it can help you observe children with the curricular objectives in mind, understand what children know and can do and where they need to go next, and use that understanding to plan meaningful experiences that are appropriately challenging for individual children and your group.

**Presenter: Teaching Strategies**

Age Focus: I/T, PRE
Main Topic: Curriculum

---

**Measuring Classroom Quality with OCOT: The Ohio Classroom Observation Tool**

Session Code: T110

In this session, an overview of the Ohio Classroom Observation Tool (OCOT) used in the SUTQ rating process will be provided. Included in the session will be how these indicators align with the Early Learning and Development standards. This session would be beneficial for all early childhood program staff regardless of participation in SUTQ.

**Presenter: Jennifer Perkins**

Age Focus: ALL
Main Topic: Assessment of Young Children

---

**Music, Movement and Science: Wow, this is Fun!**

Session Code: T111

Music and movement are powerful tools to introduce young children to the world of science. Music and movement is a powerful emotional experience that promotes accelerated learning and long-term retention, while creating a deeper interest in science. Young children will make science connections while also developing motor coordination with songs such as *Itsy Bitsy Spider*, *Down by the Bay*, *Brown Bear Brown Bear*, *Five Little Ducks*, and *Did You Feed my Cow?*

**Presenter: Mike Longoria**

Age Focus: ALL
Main Topic: Music and Movement

---

**NAEYC Accreditation and QRIS: Better Together**

Session Code: T112

Should child care quality be measured on a national level? Join the National Association for the Education of Young Children’s Senior Director of Accreditation of Early Learning Programs as she answers this question and many more. Come prepared to learn about the numerous benefits of national accreditation and how it compliments Step Up to Quality.

**Presenter: Kristen Johnson**

Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics
8:30am-10:00am con’t

New Opioid Crisis: How Did We Get Here?
Session Code: T113

Participants in this session will examine the contributing factors to the current opiate epidemic. Participants will be challenged to think about their systems of care and how to approach this issue from a transdisciplinary approach.

Presenter: Kelly Pack
Age Focus: ALL
Main Topic: Trauma Informed Care

Supporting Children Who Color Outside of the Lines – How Do We Ignite Children’s Creativity?
Session Code: T114

How do we ignite children’s creativity? This presentation will discuss what discourages children from being creative and identify practices that support environmental and curriculum ingredients to nurture creative development.

Presenter: Dan Hodgins
Age Focus: ALL
Main Topic: Creative Development

10:45am-11:45am
Keynote: Deshauna Barber

Power and Excellence through Resilience
Session Code: Keynote1

Deshauna has made it her life goal to encourage, inspire, and strengthen the people around her! She will inspire you never to lose sight of the impact you have on the children in your care. Discover the influence one teacher had on her ability to develop resiliency strategies, tenacity, and to never give up while reaching for her goals. You will leave empowered to focus on developing your resilience to achieve balance in your professional and personal life.

Presenter: Lynnette Klejka
Age Focus: ALL
Main Topic: Early Intervention/Inclusion

1:00pm-2:30pm

FLIP IT! Overview and Four Steps Strategy - FULL DAY
Session Code: T2FlipIT

Continuation of morning session. See Thursday, 7:30am session for more info.

Do We Only Want Happy Children? Helping Children Develop Anger Releases
Session Code: T21

Anger often is discouraged. This session will assist participants in the development of positive ways for children to express their anger. Take back effective strategies that encourages children to express all feelings in positive ways.

Presenter: Dan Hodgins
Age Focus: PRE
Main Topic: Guidance/Challenging Behavior

Essential Elements for Designing an Inclusive Classroom
Session Code: T22

Through engaging activities, discussion, and knowledge sharing, participants will explore the various components of a high-quality early learning environment, including: characteristics of a high-quality inclusive environment, DAP, the importance of play, Universal Design, Universal Design for learning, and least restrictive environments. Additionally, participants will explore specific strategies and supports to enhance the classroom environment.

Presenter: Lynnette Klejka
Age Focus: ALL
Main Topic: Early Intervention/Inclusion
Exploring Gender and Gender Expression in Young Children (Part 1)
Session Code: T23

Participants in this session will explore the definitions and concepts of gender, gender identification and gender development, while examining the child’s perspective in the development of gender identity. The concept of gender identity and expression from the perspective of parents, who may be having difficulty with their child’s gender choices will also be addressed. Take back strategies to support children in the classroom in the area of gender identity and development.

Presenter: James Flynn
Age Focus: ALL
Main Topic: Diversity & Equity

Improving Kindergarten Readiness by Using Classroom Management Techniques based on the "Connections Theory" by Dr. Brene Brown
Session Code: T24

According to the "Connections" theory introduced by author and researcher Dr. Brene Brown, we are all “wired for connections.” Attendees of this workshop will learn procedures and practices designed to help teachers and students have stronger connections that will help students have higher self-esteem and stronger emotional readiness to learn.

Presenter: Christine Desanti
Age Focus: I/T, PRE
Main Topic: Curriculum

'Sing and Sign: Bring Joy to Education!
Session Code: T27

SSinging and signing engage young children in meaningful and exciting multi-language experiences. Singing songs is a powerful way to be introduced to a language while developing confidence and fluency. Signing (ASL) serves as the bridge that connects the three languages within our brain. Research findings state that integrating ASL into your literacy component accelerates letter and sound identification while promoting and motivating the natural love for reading. Music—and movement—bring JOY to education!

Presenter: Mike Longoria
Age Focus: T, PRE, SA
Main Topic: Music and Movement

Looking Through a STEM Lens
Session Code: T26

Learn ways to nurture curiosity and encourage children to develop problem solving skills, create and test hypotheses and learn STEM concepts through play and exploration. Participants will learn how to foster STEM as a mindset by focusing on the process not just outcomes. We will discuss the benefits of STEM for helping children develop skills across the content areas.

Presenter: Aimee Marting
Age Focus: T, PRE
Main Topic: Science/STEM

Self-Care for Teachers: Techniques for Becoming the Best Version of Yourself
Session Code: T28

The Devereux Center for Resilient Children studies resiliency and protective factors in both young children and adults. This training looks at protective factors for teachers to help prepare them for stressful situations and anything that comes their way. Setting the foundations for good self-care can prevent teachers from experiencing burnout. To take good care of others one must first take care of themselves.

Presenter: Troy Hunter
Age Focus: I/T, PRE
Main Topic: Professionalism, Leadership & Ethics
Strengthening the Foundation: Building Children Up Using Their Strengths (Part 1) K-3
Session Code: T29

This training focuses on supporting school age children's social emotional development through the use of the 40 Developmental Assets. A connection will also be made between how ACEs impacts children and their education, as well as how the 40 Developmental Assets can help support those children. Participants will be able to take away practical strategies that they can use to support and help their children build these skills.

Presenter: Brittany Jackson
Age Focus: SA, K-3
Main Topic: Social-Emotional Development

The State of Babies Yearbook: Where Do Babies Stand
Session Code: T211

Where do babies across the nation and in Ohio stand? The new State of Babies Yearbook 2020, to be released in April by ZERO TO THREE, provides the answer. The state of America’s babies is critical – it’s when we lay the foundation for our future workforce. When babies and families have the supports they need, we create innovators, thinkers, and stronger communities. Our shared vision of a prosperous future will be realized only if there is a robust quality of life for babies today.

Presenter: Patricia Cole
Age Focus: ALL
Main Topic: Public Policy/Advocacy

Using Higher Order Thinking Skills with Preschoolers
Session Code: T213

Higher order thinking skills are essential for all learners including preschoolers. Participants in this session will gain an understanding of higher order thinking skills using Bloom’s Taxonomy. Through large and small group activities discover how to word questions to support higher order thinking and apply to these questioning skills to picture books. Come ready to read, review and reflect.

Presenter: Trisha Prunty
Age Focus: PRE
Main Topic: Language and Literacy

This Could Have Been An Email: How To Create A Staff Meeting Teachers Can't Wait To Attend
Session Code: T212

Learn tips to plan and organize your staff meeting so your adult learners are just as engaged as the children; through hands on activities that get them out of their seats and critically thinking! This session, for center directors and administrators, will require you to move around the room, actively participate, and even get a little silly. You will leave this session with fun new ways to engage your staff and meet learning standards.

Presenter: Joanna Kelley
Age Focus: ALL
Main Topic: Program Administration/Evaluation

Sessions: Thursday, April 23

1:00pm-2:30pm

The Elephant in the Room: Trauma in the Workplace
Session Code: T210

Whether from tragic life events, trying to survive on a next-to-nothing salary, or compassion fatigue many early childhood educators are silently suffering from trauma. It doesn't have to be this way! This session equips participants with the tools to identify trauma in adults and create "trauma-informed workplaces", resulting in lower staff turnover and greater job satisfaction.

Presenter: Adrianna Howard
Age Focus: ALL
Main Topic: Trauma Informed Care
### Working Together for the Benefit of Our Children  
**Session Code: T215**

This session will provide participants an opportunity to analyze and better understand the value of cultivating empathy for families and children they serve. Techniques to improve communication with families and promote healthy environments that support acceptance over tolerance will be discussed. Leave with an improved ability to understand and share the feelings of another.

**Presenter:** Mandy Young

**Age Focus:** All  
**Main Topic:** Family Engagement & Support

---

### Communication is a Two-Way Street: Helping Children Become Effective Communicators  
**Session Code: T33**

Communication is a two-way street! Effective communication is one of the most important social skills. Communication is more than just talking. Participants will discuss the three aspects of communication: talking, listening and body language. Interactive activities will be presented to help the participants understand their own communication style. A discussion on how to use strategies and specific activities when designing the temporal, physical and interpersonal environments and how they will support children in becoming effective communicators.

**Presenter:** Christine Schmidt  
**Age Focus:** ALL  
**Main Topic:** Language & Literacy

---

### Creating A Climate of Composure: Using the Five Steps of Self-Regulation and the Safe Place (Conscious Discipline©)  
**Session Code: T34**

This session will help participants identify brain states, triggers and how to help children self-regulate using the five steps of self-regulation (I Feel, I Calm, I Choose, I Connect, I Solve) and the Safe Place. Leave with a plan to use these strategies in your classroom, with parents and coworkers.

**Presenter:** Rozlyn Grant  
**Age Focus:** ALL  
**Main Topic:** Social/Emotional Development
**Sessions: Thursday, April 23**

### 3:00pm-4:30pm

**Intentional Teaching: Rethinking the First Six Weeks of Preschool**  
Session Code: T35

In this session, we will rethink the special energy and opportunities unique to the first six weeks of school, the goal of which is to lay the foundation and build the relationships that will support children’s development and learning all year long. Discover the path to success in establishing the fundamental aspects of a caring classroom community, from creating a child-centered physical environment, to setting a schedule that invites learning, to partnering with families in ways that truly make a difference.

**Presenter:** Teaching Strategies  
**Age Focus:** PRE  
**Main Topic:** Curriculum

---

**Exploring Gender and Gender Expression in Young Children (Part 2)**  
Session Code: T36

Participants in this session will explore the definitions and concepts of gender, gender identification and gender development, while examining the child’s perspective in the development of gender identity. The concept of gender identity and expression from the perspective of parents, who may be having difficulty with their child’s gender choices will also be addressed. Take back strategies to support children in the classroom in the area of gender identity and development.

**Presenter:** James Flynn  
**Age Focus:** ALL  
**Main Topic:** Mathematics

---

**FLIP IT! Overview and Four Steps Strategy - FULL DAY**  
Session Code: T37

Continuation of the morning and afternoon session. See Thursday, 7:30am session for more info.

**Kids Count: Math Across the Curriculum**  
Session Code: T38

We will explore developmentally appropriate areas of math that can be used throughout the curriculum and the learning environment. Among other areas, we will look at matching, classifying, patterning, sequencing, and measuring and how they can be used to engage children with authentic math experiences.

**Presenter:** Ron Mohl  
**Age Focus:** PRE  
**Main Topic:** Mathematics

---

**Ohio Early Childhood Race & Rural Equity 2020**  
Session Code: T310

Attendees will be given a briefing on the 2020 Ohio Early Childhood Race and Rural Equity follow-up report, “Drafting a New Blueprint for Success.” This will include county-specific data on young children, new statewide data disaggregated by race and geography, and more. Participants will have the opportunity to share personal and community experiences reflected in the data and brainstorm program-level, community, and statewide solutions to address inequities for young children.

**Presenter:** Julia Hohner  
**Age Focus:** ALL  
**Main Topic:** Public Policy/Advocacy

---

**Peak Professionalism and Peace Only a TAP Away!**  
Session Code: T311

In this session you will learn Emotional Freedom Technique (Tapping) which will uncover unconscious stressors that create our personal biases and societal stereotypes that may adversely impact engagement with staff, children and families. Once stressors are identified you will further use Tapping to lower your stress and rewire your brain and body to not be triggered again by these issues.

**Presenter:** Tijana Coso  
**Age Focus:** ALL  
**Main Topic:** Professionalism, Leadership & Ethics

---

**Nature Supports Early Childhood Development and Learning**  
Session Code: T39  
2 hours | 3:00pm-5:00pm

This presentation will explore benefits of nature-based education as well as helping educators see beyond themes and how playful learning in the outdoors can create an environment where all requirements of our job as early childhood educators present themselves naturally. Participants will create a plan to take with them the day of the training.

**Presenter:** Meredith Florkey  
**Age Focus:** PRE  
**Main Topic:** Nature-Based Education

---

**Nature Supports Early Childhood Development and Learning**  
Session Code: T39  
2 hours | 3:00pm-5:00pm

This presentation will explore benefits of nature-based education as well as helping educators see beyond themes and how playful learning in the outdoors can create an environment where all requirements of our job as early childhood educators present themselves naturally. Participants will create a plan to take with them the day of the training.

**Presenter:** Meredith Florkey  
**Age Focus:** PRE  
**Main Topic:** Nature-Based Education
3:00pm-4:30pm con't
Processing Disorders: Different Routes to Learning STEAM (Pre-K to 3)
Session Code: T312

This presentation provides an overview of the neurological processing disorders that cause students to struggle with STEAM understanding, play-based activities, and academic classroom content (pre-k to grade 3). Problems to be examined include visual, sensory, and auditory disorders as well as dysgraphia, dyscalculia, and reading disabilities. Techniques to assist these children as well as multiple ways to enhance STEAM learning will be presented. Techniques are appropriate for both children with and without these conditions.

Presenter: Maria Sargent
Age Focus: PRE
Main Topic: Science

Hip-Hop to Rock and Literacy
Session Code: T313

In this interactive session participants will discover how to use songs, music and movement to support literacy development. By incorporating kinesthetic activities with sing-along songs children develop auditory discrimination, vocabulary, fluency, and coordination. Most important of all, it promotes the natural love for reading. Take back strategies to integrate text through song-card, chart tablet, or pocket-chart phrases to nurture confidence in your young readers.

Presenter: Mike Longoria
Age Focus: ALL
Main Topic: Music and Movement

Understanding Attachment and the Separation Process
Session Code: T315
2 hours | 3:00pm-5:00pm

Through role-play and case discussion, participants will explore the crucial role that attachment has in the learning process and how children and parents respond to separation. In addition, participants will identify strategies that they can use to help parents and children remain emotionally connected, especially when preparing children for care in an out-of-home program.

Presenter: Karen Goulandris
Age Focus: ALL
Main Topic: Social/Emotional Development

What are the Top 3 Reasons Early Childhood Teachers Leave the Profession in Ohio?
Session Code: T316

This session is designed from a qualitative research project to gain perspective on teacher turnover in early childhood educational settings. Participants will engage in a round table discussion with prompts from recent research completed in Ohio on teacher turnover in ECE settings. Teachers, administrators, directors, and program coordinators are encouraged to join the conversation. Leave with a new vision for hiring novice teachers and developing individual training programs to meet all new teachers at their level of development and areas of opportunities.

Presenter: Charlotte Perlaky
Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics

Networking Opportunity:

- Ohio Directors' Network Forum | Facilitated by Belinda Costin
Code: FDirectors | 5:00pm-6:00pm
Do you remember playing “hide and seek” as a young child? Did you take a class to learn how to play this game? In this session we will identify the benefits of play and discuss why it is disappearing. Come and learn how to play again!

Presenter: Dan Hodgins

Age Focus: ALL
Main Topic: Child Development and Learning through Play

THE MAGIC OF MUSIC: Release the Stress, Calm the Room, Focus the Energy!

In this inspiring, hands-on, and fun workshop, award-winning musician, songwriter and music educator Kira Willey will teach you how to incorporate music, rhythm and song seamlessly into your classroom in order to completely engage (and keep!) children’s attention, create predictable, calming structure, boost mindfulness, and help children focus and learn. Kira will demonstrate her teaching methods using original music from her five award-winning CDs of kids’ yoga songs, as well as playing live. Attendees will have a blast while being guided to create their own rhythm games, call & response activities, and songs to use in their own classrooms! There’s absolutely no musical experience necessary—Kira’s an expert at making these techniques immediately accessible for everyone.

Presenter: Kira Willey

Age Focus: ALL
Main Topic: Music and Movement

Wine and Canvas Party

Join Ohio AEYC and Discount School Supply for a fun and relaxing evening with the perfect pair: art and wine! A fun, social, group setting, with an artist to guide you step by step in replicating the nights’ featured painting. By the end of the evening you will create a fabulous piece of artwork to take back home with you! No painting experience necessary! We provide everything you need including the artist/teacher, canvas, paint, brushes, easels, aprons and most importantly, one glass of wine (or other drink). Cash bar also available onsite.

Space is limited!

Murder Mystery:
TOTALLY 80's, TOTALLY MURDER
7:30pm | $10

Join Ohio AEYC and Kaeden Publishing for a “killer” good time! This murder mystery party is a themed event where attendees are encouraged to dress up to match the 80’s era (not required though!). Attendees will then work together to solve a fictitious murder which occurs during the party. This event is often compared to a live-action version of the game Clue! Grab your most righteous ‘80s concert gear to rock out in style while you solve a crime with your friends. Jean jackets and spandex leggings, big hair, bangles, leg warmers, and ripped jeans will be all the rage at this rocking night of mystery. See you there!

Cash bar will be available.
7:00am-7:45am
YOGA
Session Code: FYOGA
Non-Credit

Start your day with a gentle and adaptive morning yoga class. Class will begin with a brief meditative breath series, designed to awaken your senses and bring peace to your spirit. A series of poses will be practiced, designed for everybody, no matter where you are in your yoga practice. The poses practiced will be meant to awaken and stretch your body, readying yourself for the day. Yoga mats encouraged.

Presenter: Nancy Fisher
Age Focus: ALL

7:35am-10:30am
Trauma Informed Care in Early Intervention (Full Day)
Session Code: FTraumaFULL

Understanding the role of trauma informed care in early childhood is vital to children and families. By becoming “trauma-informed” professionals will recognize that people have often experienced many different types of trauma. Those who have been traumatized benefit from support and understanding from those around them. This professional development opportunity is focused on educating communities and professionals about the long-lasting impact of trauma.

Presenter: Marci Masters
Age Focus: ALL
Main Topic: Trauma Informed Care

8:30am-10:00am
Be Clear and Be Consistent: Strategies for Positive Behavior K-3
Session Code: F11

In order to have a successful summer camp program, we must first establish clear rules, consequences, routines, and procedures. During this training, participants will learn strategies to be proactive rather than reactive to set their campers up for success. We will learn how to promote positive behavior, encourage team building among campers, and develop a positive character in each child while they have fun at summer camp!

Presenter: Ron Mohl
Age Focus: SA, K-3
Main Topic: Social/Emotional Development

Building Resiliency with Joy: Evidence Based Training to Address ACEs in Early Childhood Care & Education
Session Code: F12

This presentation will include an overview of the science behind attachment and play, and its ability to prevent the negative effects of childhood adversity and toxic stress. Participants will leave the session with an individualized joyful plan for infants, toddlers and preschool children to embed into their curriculum planning.

Presenter: Benjamin Kearney
Age Focus: ALL
Main Topic: Trauma Informed Care

Creating a Natural Learning Environment in Early Childhood Settings: Ideas to Rethink your Outdoor Space
Session Code: F14

During this session participants will walk through the process of redesigning their outdoor playground space into a natural outdoor learning environment. The benefits of these changes will be discussed, such as increased physical activity, higher child engagement, increased opportunities for social interactions, extending learning in the outdoors in all areas of development and reducing (yes..reducing!) chances of severe injury. Participants will go home with the start of an implementation plan.

Presenter: Katie Krause
Age Focus: ALL
Main Topic: Nature-Based Education
Diversity: It’s Not Black and White
Session Code: F15
Learn to enhance your multicultural communication skills by examining your view of the world, your classroom, your students, and families. Participants will take a journey into the world of diversity and realize it’s not just black and white.

Presenter: Joe French
Age Focus: ALL
Main Topic: Diversity & Equity

Rethinking Small Group Instruction
Session Code: F16
Small-group time—those moments in the day when teachers tailor instruction to be responsive to individual children’s interests, strengths, and needs—is a powerful opportunity for targeted learning. This session explores ways to ensure that each small-group experience delivers a major impact. Participants will learn how to be intentional in the materials, settings, and groupings of children they select for each small group and devise strategies for keeping all children engaged, even those working independently.

Presenter: Teaching Strategies
Age Focus: PRE
Main Topic: Curriculum

Dual Language Learners: Support Strategies for Birth to 5
Session Code: F17
Using the Planned Language Approach Model, participants will learn about evidence based strategies that support Birth to five dual language learners and debunk myths related to DLL. Participants will acquire and apply new knowledge on how to transfer instructional strategies for Birth to 5 DLL children.

Presenter: Melissa Romero
Age Focus: I/T, PRE
Main Topic: Language and Literacy

Essential Elements for Successful Inclusion
Session Code: F18
Have you ever struggled to include a child into the everyday routines of your classroom? To truly create an inclusive environment, a classroom must embrace children of varying abilities, delays, or who are medically fragile. Ingredients for a successful recipe include: Exploring your attitude, defining what true inclusion involves, resolving myths, and the realistic expectations regarding people with disabilities.

Presenter: Tricia Streharsky
Age Focus: ALL
Main Topic: Children with Disabilities/Early Intervention/Inclusion

Finding Your Happy Place In and Out of the Classroom: Healthier for You and the Families and Children You Serve
Session Code: F19
Do you ever feel like you are stressed out just holding on to get through the day? Come learn how to identify the physical and emotional reactions that children, families, and teachers display when they are on stress overload. Stress not handled well can have negative effects but stressed identified and minimized can energize your day.

Presenter: Marie Economos
Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics

FUN: That was the BEST Class Ever! K-3
Session Code: F110
Connect with each child in their learning style - make learning FUN again! Allow our students to get up and dive into their learning, drawing connections through the arts and technology. No more memorizing material. Spin the teaching into engagement for all.

Presenter: Chad Malcolm
Age Focus: SA, K-3
Main Topic: Curriculum

I/T=Infant/Toddler | K=Kindergarten | PRE=Preschool | SA=School-Age
Happily Ever After: What's New in Children's Literature
Session Code: F111

Are you too busy teaching to look for new children's literature titles that will enhance your classroom and curriculum? Come to this workshop to discover new and engaging books that have recently been published. Learn about resources that will help you filter the good books from the mediocre titles and how to enrich your children's experience with print. Watch and observe how to use books as a foundation for close reading activities that will support early childhood children to become future readers or more efficient readers.

Presenter: John Funk
Age Focus: PRE, SA
Main Topic: Language and Literacy

Sing a Joyful Song: A Community-Building Musical Celebration
Session Code: F113

Join a totally unique experience where each attendee will learn simple approaches to introducing music to children through fun arrangements of contemporary songs. This adult experience models best practices to introducing young children to new songs and emphasizes the powerful effects that music has on the brain: increasing plasticity, forging new neural pathways, creating opportunities for mindfulness, and improving memory. At the end of the session, you'll be invited to join the "conference choir" to share your experience!

Presenter: Kira Willey
Age Focus: ALL
Main Topic: Music and Movement

This Child, Each Child will Grow and Learn
Session Code: F115

This session is designed to help attendees understand the importance of early identification through monitoring and screening which leads to connecting families with local, state, and national resources. Participants will be provided an overview of developmental milestones and evidence-based approaches to communicate with families and professionals about concerns that may arise.

Presenter: Meledy Dawson
Age Focus: ALL
Main Topic: Family Engagement & Support

STEAM in the ECE MakerSpace: Passport to Learning (K-3)
Session Code: F114

Through a hands-on, active experience, participants will explore approaches to integrate STEAM (Science, Technology, Engineering, Arts, and Mathematics) in the ECE MakerSpace. We will explore innovative learning methods and practices. This includes instruction on systematic design of STEAM and MakerSpace activities, as well as hands-on experiences with 3D printing, SnapCircuits, Robotics, and Inquiry-based sets.

Presenter: Jacqueline Mumford
Age Focus: SA
Main Topic: Science

10:45am-11:45am
Keynote: Gerry Brooks

Personal Climate and Culture: The Key to Professional Success
Session Code: KEYNOTE2

Gerry Brooks has a special way of humorously describing life inside his elementary school that is both therapeutic and enjoyable to literally hundreds of thousands of teachers and principals alike. Gerry highlights the importance of culture in creating a positive work environment, leading to improved outcomes for children.
Sessions: Friday, April 24

1:00pm-2:30pm

45 Years of the CDA: Honoring the Past, Treasuring the Present, Shaping the Future
Session Code: F21

This session will highlight the Council for Professional Recognition's new innovations and updates, including the impact of the CDA credential over the last 45 years. Discover the exciting online resources, tutorials and new credentials on the horizon. Learn about best practice stories on how the CDA has supported Ohio early childhood educators, PD specialists, and advocacy organizations to increase quality in early childhood programs across the state.

Presenter: Valora Washington

Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics

__

Bring "Farm to Early Care" to YOUR Program
Session Code: F23

Join this session to learn about Farm to Early Care and the many ways it can benefit your early care and education program. Participants will walk away with a completed work plan, evidence-informed resources, and action steps on how to get started on implementing all three key elements of Farm to Early Care: local purchasing, gardening, and food-based education. Those who attend will also be able to learn from programs that have already started this work and how to join the Farm to Early Care movement!

Presenter: Hannah Bills

Age Focus: T, PRE
Main Topic: Nature-Based Education

__

Advancing Equity in ECE: Words Into Action (Part 1)
Session Code: F22

Using the "Equity and Inclusion Reflection tool," attendees will have an opportunity to reflect on their daily practices and apply it to the recommendations set forth for the field through the position statement. This session will bolster each teacher's desire to support every child and family who enters their classroom community and give them tools and resources to do so.

Presenter: Elisa Huss-Hage

Age Focus: ALL
Main Topic: Equity and Diversity

__

CALM YOUR CLASSROOM: The Magic of Music, Movement & Mindfulness for Kids
Session Code: F24

In this dynamic, inspiring, and FUN workshop--full of immediately actionable ideas--we'll try lots of techniques together (be ready to move)! Kids' yoga and mindfulness expert, author, TEDx speaker, and award-winning musician Kira Willey will teach attendees how to incorporate music, movement and mindfulness easily and seamlessly into the classroom in order to give children tools to calm themselves, empower them to release anxiety and stress, and create calming, predictable structure.

Presenter: Kira Willey

Age Focus: ALL
Main Topic: Music and Movement

__

Conscious Discipline©- In Action (Part 1)
Session Code: F25

This session is for educators who are beginning to or have been implementing Conscious Discipline into their personal lives and classrooms. A variety of Conscious Discipline techniques will be discussed as well as implementation techniques including the Brain State Model and the Seven Powers.

Presenter: Ava McNemar

Age Focus: ALL
Main Topic: Guidance/Challenging Behaviors

__

DAP- the "Doing and Playing" that Supports Early Learning
Session Code: F26

Find out how DAP, the tried and true approach for every child in every classroom, stands up to the new standards. In this workshop, you will discover that play is still the foundation that sparks the love for learning and helps children enter school ready to succeed. Discuss strategies used to engage children's thinking, participate in discussion and reflection of DAP experiences.

Presenter: Karen Goulandris

Age Focus: PRE
Main Topic: Developmentally Appropriate Practice

I/T=Infant/Toddler | K=Kindergarten | PRE=Preschool | SA=School-Age
Essential Elements for Family Conversations  
Session Code: F27

Participants will explore and reflect on having quality conversations with families when there is a suspected delay or disability. Strategies on how to prepare for a difficult conversation and techniques to use to strengthen and support successful collaboration, without judgement of the families’ various reactions or decisions will be provided. Participants will also be given tips to work with families and consider all cultures, backgrounds, and types of families.

Presenter: Tricia Streharsky
Age Focus: ALL
Main Topic: Family Engagement & Support

Messy Math! Using Hands-on Materials to Support the Developmental Sequence of Math Skills  
Session Code: F29

Math is better understood by real-world experiences. This workshop uses messy and constructive activities to help children understand the developmental sequence of mathematics skills that are appropriate for preschool and kindergarten children. This session will help you build a scaffold of understanding with children in your care.

Presenter: John Funk
Age Focus: PRE
Main Topic: Mathematics

Recall and Retell: Painting Connections to Story Time  
Session Code: F211

This hands-on session connects story time to activities around the classroom that support language and early literacy development. Participants will tell and retell stories through movement, dramatization, props, playdough, Legos, and even paint.

Presenter: Staci Edwards
Age Focus: T, PRE
Main Topic: Language and Literacy

Nurturing Nature: How One Preschool Program Shifted Attitudes about Outdoor Education  
Session Code: F210

In this session participants will explore nature-based education and the elements to look for in a quality nature-based program. We will discuss and share how participants are currently implementing nature-based learning in their classrooms or school program. Come discover how one typical preschool program has gradually transformed an overgrown area into a functioning outdoor classroom. Take back ideas on how to add more nature-based elements to your classroom or school program.

Presenter: Carol Juergemeier
Age Focus: T, PRE
Main Topic: Nature-Based Education

So You Want To Be A Director? Practical Tips For Growing Out Of The Classroom and Into The Office  
Session Code: F212

Have you dreamed of becoming a director or administrator? So many directors started as teachers without any formal training in leadership or running a business. If you are ready to take criticism, think like a team, lead adult learners, plumb a toilet (yes, that too), and work harder than you’ve ever worked before, then this session is for you. Geared towards teachers interested in following their dreams to school leadership, participants will gain an understanding of the director role and define steps to get you to reach your full potential. Wear 1000 hats and look great doing it!

Presenter: Joanna Kelley
Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics

Group Times for Infants and Toddlers- High Scope©  
Session Code: F28

Participants will be provided with the elements of HighScope Group Time with Infants and Toddlers. Participants will gain adult-child interaction strategies to support infants and toddler during Group Time using materials and music & movement in a predictable; yet, flexible daily schedule.

Presenter: Melissa Weaver
Age Focus: I/T
Main Topic: Curriculum
Supporting Children Who Take Us to the End of Our Rope!
Session Code: F213
Are you an adult who is working with a child who takes you to the end of your rope? If you are, this session is for you. You will increase your awareness of why challenging behaviors occur and specific strategies that will assist in preventing these behaviors. Discover how to develop self-control in children who seem to need POWER.

Presenter: Dan Hodgins
Age Focus: T, PRE, SA
Main Topic: Guidance/Challenging Behavior

Transforming Your Classroom through Play and Project Based Learning
Session Code: F214
During this session, attendees will discover the importance of play-based learning through exciting hands-on experiences, developed through the personal experience and practice of a preschool teacher. Experience the excitement and interest of children as they build new knowledge and develop skills in authentic settings. Come take an adventure with us and explore how to provide authentic meaningful learning experiences! Take back a list of everyday items to transform your classrooms to make learning fun, exciting, teachable, hands on, and minds-on!

Presenter: Tashana Brown
Age Focus: PRE
Main Topic: Child Development and Learning Through Play

Trauma Informed Care in Early Intervention (Full Day)
Session Code: F215
Continuation from morning session. See 7:30 session for more information.

Presenter: Marci Masters
Age Focus: ALL
Main Topic: Trauma Informed Care

Using GOLD® Data to Improve Outcomes for Children and Families
Session Code: F216
The practice of using GOLD® data to inform planning, caregiving, instruction, professional development, and teacher reflection is not isolated to any one age-group or grade. Rather, it is vital that teachers in all settings understand how to collect quality data, interpret that information accurately, and then use it to plan routines, experiences, instruction, and the learning environment.

Presenter: Teaching Strategies
Age Focus: I/T, PRE
Main Topic: Curriculum

Where the Boys Are Version 2.0 (Part 1)
Session Code: F217
This training explores the possibility that boys have different needs in the classroom than girls. Many of those differences can be related to the way that the different genders are socialized, as well as, differences in brain structure. Based on these differences and the fact that boys seem to be falling behind girls, academically, teachers are asked to examine current teaching methods and explore new methods that might be more engaging to males.

Presenter: James Flynn
Age Focus: ALL
Main Topic: Diversity & Equity

Conflict Resolution: It’s not Personal It’s Personality
Session Code: F31
Many times we believe that conflict is personal, but it is really a personality clash. By using the DISC Profile, we will identify and build on individual strengths and explore ways to improve communication skills.

Presenter: Joe French
Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics
Sessions: Friday, April 24

3:00pm-4:30pm con't

Conscious Discipline© In Action (Part 2)
Session Code: F32

This session is for educators who are beginning to or have been implementing Conscious Discipline into their personal lives and classrooms. A variety of Conscious Discipline techniques will be discussed as well as implementation techniques including the Brain State Model and the Seven Powers.

Presenter: Ava McNemar

Age Focus: ALL
Main Topic: Guidance/Challenging Behaviors

Data Driven Coaching: Using Child Assessment to Inform Professional Learning- High Scope©
Session Code: F34

This session will explore coaching strategies, techniques, and support systems to be implemented at the classroom level in order to assist teachers in using child assessment to drive instruction. Join us as we uncover ways to demystify data for our teachers and develop coaching plans that are individualized to be the “right-fit” based on their own knowledge and motivation to change. With the goal of increasing child outcomes, this session will focus on how coaches can build capacity within their educators as they partner together to explore best practices within the field of early childhood.

Presenter: Lance Reed

*Featured Session*

Exposure to Nature Creates Resiliency!
Session Code: F36
2 hours | 3:00pm-5:00pm

In this training, participants will investigate why nature education is integral in early childhood education. Participants will explore their own history with nature and examine their own comfort levels. Together, we will create a continuum of nature usage in the classroom, identify where individuals currently fall on this continuum and where they want to be. Each participant will then create a plan to take back that includes setting a goal, identifying roadblocks, resources and success.

Presenter: Meredith Florkey

Age Focus: PRE
Main Topic: Nature-Based Education

Exploration and Play: Why These Superfoods Should Dominate PK-3 Curricula
Session Code: F35

Exploration and play are two of education's superfoods, but they are getting squeezed out of classrooms to make time for less-nourishing academic instruction. We'll learn the research and reasons why exploration and play are so beneficial and how to better advocate for making them central to PK-3 curricula.

---

**Mindset Matters: How Mindset Impacts Our Work in Early Education**  
Session Code: S210

This session will provide an overview of a fixed verses growth mindset and how our mindsets affect our work with children and families in early education. Participants will identify characteristics of their own mindsets, identify the differences between mindsets and learn new strategies for using a growth mindset in the early childhood program.

**Presenter: Heather Gaskins**  
Age Focus: PRE  
Main Topic: Professionalism, Leadership & Ethics

---

**How Does Play Become Meaningful? - HighScope©**  
Session Code: S27

Participants will be introduced to HighScope's Plan-Do-Review Process and learn how to implement it into the daily routine to make work time more intentional and meaningful.

**Presenter: Melissa Weaver**  
Age Focus: PRE  
Main Topic: Curriculum

---

**Looking through the Eyes of Boys**  
Session Code: S29  
Featured Session

"What about those boys?" rings out around the country. Many early childhood educators and parents are asking these questions and more. This session will increase your awareness of boys, how they learn, and how to educate them based on brain science research. Discover how to create the ultimate environment that supports boy's needs.

**Presenter: Dan Hodgins**  
Age Focus: ALL  
Main Topic: Child Development and Learning Through Play

Sessions: Saturday, April 25

1:00pm-2:30pm

Retaining Staff through Quality Improvement (NAEYC Accreditation)
Session Code: S212

Learn how placing more emphasis on developing and supporting staff through quality improvement leads to increased staff morale, greater retention and an overall more positive, energetic work atmosphere. In this session, you will examine the characteristics, competencies and the types of professional development opportunities that should be included in your Program Professional Development Plan.

Presenter: Kristen Johnson
Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics

Risk-Taking Through Play
Session Code: S214

While many adults may be risk-averse, children need to experience and experiment with risk in order to learn about themselves, their peers and the world around them. Through anecdotes, videos, and photos, the presenters will share how The School for Young Children in Columbus, the model school for the parenting book by Heather Shumaker, It’s Okay Not to Share, supports children as they take risks, and supports teachers as they grow to be comfortable with those risks.

Presenter: Susan Roscigno
Age Focus: T, PRE
Main Topic: Play

The Psychology Behind Challenging Behaviors (Part 1)
Session Code: S216

This unique workshop blends the worlds of psychology and early childhood to help participants understand why children (and adults) behave the way they do. We’ll take a deep dive into classroom behavior and look at how the brain develops and influences behavior. Attendees will walk away with a better understanding of why the children are doing what they are doing as well as insights into their own reactions. Concrete strategies for helping children through challenging behaviors will be provided.

Presenter: Jenni Jacobs
Age Focus: ALL
Main Topic: Guidance/Challenging Behavior

3:00pm-4:30pm

Bunch of Monkeys
Session Code: S217

Positive strategies for guiding positive behaviors and dealing with challenging behaviors.

Presenter: Richard Cohen
Age Focus: ALL
Main Topic: Guidance/Challenging Behaviors

Say, Sing & Sign! How ASL Combines with Music Benefits Infants and Toddlers
Session Code: S215

This fun hands-on ASL workshop will provide participants with powerful concepts and insights on how to use American Sign Language combined with songs and activities to foster early communication and strengthen early learning for babies and toddlers.

Presenter: Georgia Frawley
Age Focus: I/T
Main Topic: Language & Literacy

Bouncing Back: How do you Build Resilience?
Session Code: S31

In this session, participants will learn why building resiliency in children is vital to their success! We will examine the 7 C’s of Resilience (competence, confidence, connection, character, contribution, coping and control) and how to build intentional resiliency activities into your daily routines to positively impact children in your classroom. We will also discuss several read aloud books that promote resiliency.

Presenter: Maria Spencer
Age Focus: ALL
Main Topic: Social/Emotional Development
Different is Not Dangerous - A Musical Trip Around the World
Session Code: S32
Using simple songs, stories and games with age appropriate applications and variety for learning styles, this workshop provides teachers hands-on tools to help children build friendships and a welcoming community. Participants will take back a collection of songs from around the world that emphasize friendship, compassion, and inclusion of people from different backgrounds. Material presented is applicable for children in preschool and early elementary.

Presenter: Joanie Calem
Age Focus: ALL
Main Topic: Diversity & Equity

Faster Than a Speeding Bullet: Supporting Superhero Play
Session Code: S34
What superhero character did you play as a child? This presentation will discuss why children need to play superhero characters and the benefits of superhero play. Take back positive strategies to support children attaining POWER.

Presenter: Dan Hodgins
Age Focus: PRE, SA
Main Topic: Child Development and Learning Through Play

Growing Up Wild
Session Code: S35
Growing Up WILD is an exciting, hands-on workshop that will leave you with a multitude of ideas and information on how to integrate wildlife and the environment into your regular lessons in an inclusive preschool classroom or any classroom setting. Participants will receive the Growing Up WILD guide which includes over 25 lessons designed to lead children through activities that incorporate science, reading, art, math, music and more in a fun, hands-on way. All lessons have been correlated to NAEYC, Head Start and Ohio Early Childhood Content Standards in both science and social studies.

Presenter: Bev Walborn
Age Focus: Pre, SA
Main Topic: Nature-Based Education

“Hello World!” – Embracing and Celebrating Diversity through Music and Movement
Session Code: S36
All children have a need to be seen and have their self-concept nourished. In our increasingly interconnected world our students come from a broader range of cultural backgrounds than ever before, presenting students and teachers with the opportunity of developing an open hearted and embracing stance to those different than themselves and skills that enrich, expand and nourish the lives of all involved. Participants will discover how to use music and movement, humor and play to orient their classrooms into a lively, resilient posture of lifelong cultural learning and awareness.

Presenter: Red Grammer
Age Focus: T, PRE, SA
Main Topic: Music and Movement

If Only I Could Work for a Mouse!
Session Code: S38

Have you ever wanted to work at the “happiest place on Earth”? Do you wish that your employees could come to work with a smile on their face every day and truly enjoy the work they do daily? Find out how to use the Lessons from a Mouse and what happened within our school community when we implemented the ten lessons learned. Pump up the fun, support each other, and in doing so, support children and families!

Presenter: Amanda Hedrick
Age Focus: ALL
Main Topic: Program Administration/Evaluation & Financial Management

Incorporating Art into Early Literacy Development
Session Code: S39

Sydney Gurwitz Clemens said, “Art has the role in education of helping children become like themselves instead of more like everyone else.” This session will emphasize the importance of art in early literacy instruction as well as provide "make it, take it" projects you can take back and incorporate in your own classrooms. Come ready to participate and share ideas.

Presenter: Hayley Venturino
Age Focus: I/T, PRE
Main Topic: Language and Literacy

The "Art" of Effective Discipline
Session Code: S311

Effective discipline is truly an art! Creativity and ingenuity are needed to discipline children effectively. This session is designed to give you practical tools of handling classroom disruptions, inappropriate behavior and keeping children focused on the task at hand. It is essential to focus on creating a positive environment and using positive communication techniques. This interactive session provides participants the necessary tools to think creatively and establish an environment where learning is fun and exciting for children.

Presenter: Renee Johnson
Age Focus: ALL
Main Topic: Program Administration/Evaluation & Financial Management

I/T=Infant/Toddler | K=Kindergarten | PRE=Preschool | SA=School-Age
What's Love Got to Go with Teaching Early Childhood?
Session Code: S314

In this session we will answer the question "what's love got to do with teaching early childhood?" by discussing the concepts of the Five Love Languages of Children by Gary Chapman, I Love You Rituals by Becky Bailey and Have You Filled a Bucket Today? by Carol McCloud. With a brief introduction of each author's concept, participants will look at how these ideas impact children's development and learning, as well as classroom interactions, relationships with families and relationships with coworkers. Participants will take back ideas on how to implement each of these concepts in their classroom.

Presenter: Carrie Shockey
Age Focus: ALL
Main Topic: Social/Emotional Development

Early Childhood Professionals:
Heroes of Our Time
Session Code: S315

This powerful, fun, thought-provoking session includes music, opportunities for reflection, interactive discussions about the stresses and triumphs of the early childhood educator. Be ready for singing, poetry and (believe it or not) dancing in the aisles! Attendees leave cheering, energized and filled with honor for the unique contribution they are to society.

Presenter: Richard Cohen
Age Focus: ALL
Main Topic: Professionalism, Leadership & Ethics
